

## Nigeria in April 2009 ([Back to Ccyuma](#))

### Head ties-Nigerian Couture

After 7 painful hours and a pound of extensions weaved into my hair, I'm wondering if it's really worth it? Don and Marta Patten have been such a blessing to our team...such a help to this church in Biblical counseling, evangelism, prayer, and are lookin' good too! Jeni Elson, my friend and former fellow teacher in Hungary, came out with the CCBCE team. We had a happy reunion and shared side-splitting laughter while she made sultry faces in this oversized hat.

### Amarachi Oriaku and Isabella Binder

The Oriaku family welcomed their baby girl, Amarachi (means "God is gracious") on March 27. Arit had a C-section after being diagnosed with hypertension. We thank God that both baby and mom are healthy and strong. On April 30, Brett and Glory Binder celebrated the birth of their baby girl, "Belle," after 8 hours of labor. People were calling her "oyibo" because she's so fair, but she'll soon get darker.

### **Nurse Agi moves to Nigeria**

After 3 visits, Agi has moved indefinitely to serve on staff at CC Abuja. She moved into the flat rented by my home church CC Yuma, where I have been living alone for the past 7 months. I'm especially thankful to Jesus for answering prayers about another single woman to serve alongside. She was accompanied by five students from the Bible college in Hungary and by my CCA teacher friend, Jeni, who came to serve during their 10-day outreach. They planned and taught a 3-day VBS that even children from neighboring Muslim families and from the orphanage attended. The team filled my apartment with life and joy and were willing to serve in any way.

## **Join me in thanking Jesus for...**

- Meeting now in the main hall
- Sweet encouragement from the Hungary team
- Rainy season
- Companionship as Nurse Agi has moved here
- Healthy and safe deliveries of both the Oriaku and Binder babies

## **Will you please ask Him for...**

- Wisdom in discipleship and in Biblical counseling with the young ladies and children
- Boldness in proclaiming Jesus Christ as Lord
- Continued protection from sickness (ie: malaria, typhoid, hepatitis) and accidents and robberies

## **And would love to hear from you...**
