

October 2008 in Nigeria [Back to CCYuma](#)

Calvary Chapel Castle Rock in Colorado joined us this month. Pastor Brian taught through the book of Galatians at the church retreat. Wendy, Pastor Dwayne (from U.R.B.A.N. Ministries), Erin, Dean, and Deek were a great help to us with children's ministry. The people here were incredibly blessed by their outpouring of love and gifts like backpacks and school supplies.

Wendy and Erin were such an encouragement to me and offered their sweet companionship when teaching art classes at the orphanage, Bible classes at the government school, and visiting families from the church. Please pray that God will use me to shine His light and love to these children and in this community.

They had to experience market where we buy fruit, a few vegetables, and rice. The fly-infested meat sitting out in the hot African sun is just one of the reasons why I'm a vegetarian ☺. Thanks for prayers concerning my health!

THEY'RE BACK! Glory and Brett Binder have moved back to Abuja from Ibadan. We were sorely missing Brett's mad technical skills and Glory's bright smile. Will you pray that they will find the perfect place to live for the perfect price and for Glory's health throughout her pregnancy?
